

Cross Stitching Pattern January

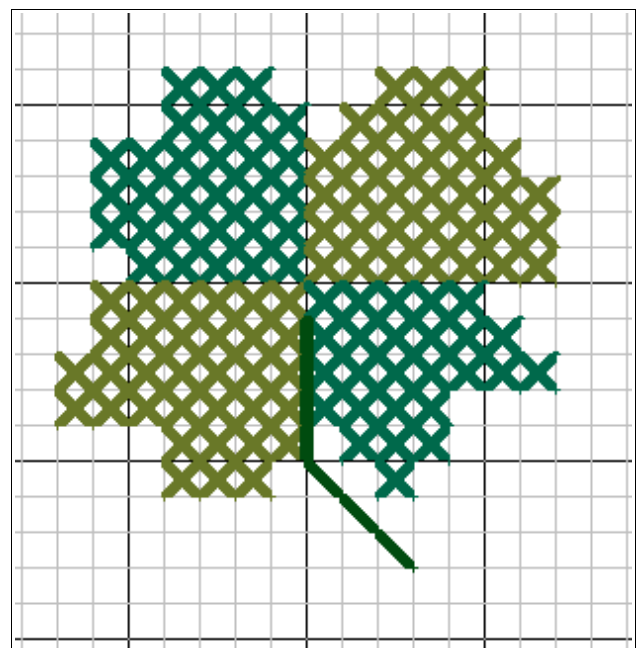

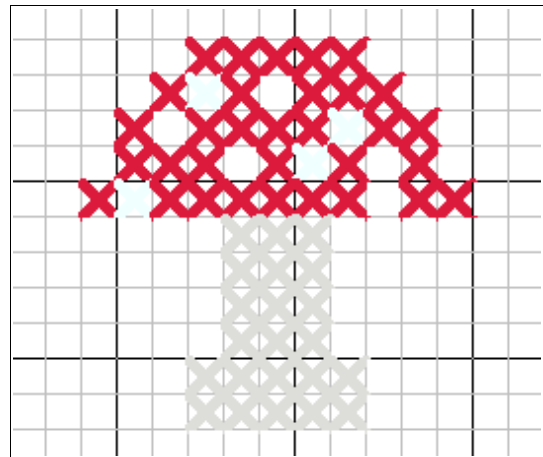

January – a new year starts with all its possibilities, new start, new people, new experiences.

Our stitching pattern for January shows what this month means to us, starting with the end of year and New Years Eve and New Year Lucky Charms and the one thing we usually get loads of in Alpine winter: snow - great to build a snowman.

[Snowman](#)

[Toadstool and Four-Leaf Clover](#)

Tell us what you embroidered with the snowman or the toadstool and clover via our MiaDeRoca Magazine of the Alps www.miaderoca.co.uk
